D - Bay Sahel

D-Bay is a true testament to reshaping your summer experience and way of life.

Taking waterfront homes to the next level, your every moment, memory, and view is cascading blue.

D-bay

S A H E L

Location

Ideally located at Kilo 165 and only 15 minutes away from the hustle and bustle of Sidi Abdelrahman, D-bay is close to everywhere you need yet perched on a secluded/sheltered level of its own.

Master plan

Mater planned by the Italian Gianluca Peluffo & Partners, D-Bay is part and one with its natural topography. Bringing their ethos that happiness is the purpose of architecture, where function meets culture and aesthetics to the table, every element at D-Bay is taken into account.

Amenities

ARCHITECTURE

Contemporary architecture comes with unique designs. Your home at D-Bay is designed to allow for an unrivalled view from every corner.

Wide glass facades let the sunlight welcome you every morning.

Attention to every finishing detail of your home will make it hard to step outside; nature will find its way in.

LEVELING

Taking full advantage of the natural topography, each set of homes are perched on a different level of beauty. Giving you full views of the sea, lagoons and green spaces is the key element in the overall design of D-Bay homes.

SEAFRONT/ LAGOON FRONT

With lagoons peppering every level at D-Bay, your home is either right on the lagoon or with a mesmerizing sea-view.

Amenities

IEWS

Wake up to the birds chirping and the sun glistening over the shades of blue that are all around you; a view that is your everyday all day.

INTERIORS

Designed by renowned experts, the inside of your home is set to match the beauty of your everyday view. Meticulously designed with a nature inspired colour palette, every corner of your home is a reflection of the peaceful and serene life at D-Bay.

EXTERIORS

With angular architecture in place, the exterior design of your home allows for maximized views of the breathtaking nature all around you; the true blend of contemporary architecture and aesthetics.
